

LIST OF PROJECTS EXECUTED BY AAB & ASSOCIATES ENGINEERING LTD
ENGINEERING PROCUREMENT & CONSTRUCTION

S/NO	PROJECT NAME	PROJECT DESCRIPTION	PROJECT CLIENT	YEAR
1.	Design & Supervision of the Construction & Erection of 600,000 Litres Mini Petroleum Depot @ Suleja, Niger State, Nigeria	Fabrication & Erection of 3 No's PMS/AGO & DPK Storage Tanks with Associated Product Piping, Installation of 2 No's Transfer Pumps and Loading Arm, Construction of Pump House, Bond Wall and Rigid Pavement	Royal Ceramic Nigeria Ltd/Nipco Plc	2015
2.	Supervision of the Remodification and Renovation of Office Building Complex @ Abuja, F.C.T, Nigeria	Retrofitting of existing Building Walls with Mesh Wire and Damp Resistance Compound, including creation of New Partition Walls, Re-electrification, fixing of Aluco Bond Cladding Boards for external surface of the Building	Royal Ceramic Nigeria Ltd/Nipco Plc	2014
3.	Engineering Procurement & Construction of 25 MT LPG Storage & Dispensing Plant @ Jos, Plateau State, Nigeria	Provision of Architectural & Engineering Design Drawings for the Plant which includes the construction of LPG Tank Foundation, LPG Pump House, Perimeter Fencing, Cylinder Filling Area, Generator Building, Gate & Security Building, Sales & Admin Building, Overhead Water Storage Tank, Piping for LPG Network (Liquid & Vapor Lines), Firewater Network (Hydrant Lines), Installation of LPG Pumps, Compressor & Electrical Instrumentation	Zhenn Energy Limited	2017
4.	Engineering Procurement & Construction of 10 MT LPG Storage & Dispensing Plant @ Jos, Plateau State, Nigeria	Provision of Architectural & Engineering Design Drawings for the Plant which includes the construction of LPG Tank Foundation, LPG Pump House, Perimeter Fencing, Cylinder Filling Area, Generator Building, Gate & Security Building, Sales & Admin Building, Overhead Water Storage Tank, Piping for LPG Network (Liquid & Vapor Lines), Firewater Network (Hydrant Lines), Installation of LPG Pumps, Compressor & Electrical Instrumentation	Oma Adidas Global Logistics Limited	2018
5.	Project Management for the Construction of 270,000 Litres Petroleum Filling Station @ Aso, Karu, Nasarawa State, Nigeria	Project comprises the Construction of a Lube Bay, Retaining Wall, Rigid Pavement, Underground Reinforced Concrete Water Reservoir, Structural Steel Canopy Fabrication & Erection, Administrative Building, Generator Building, Piping & Instrumentation as well Electrical Works	Tahaib Ventures Limited	2014
6.	Project Management for Installation of Mechanical, Piping, Electrical Instrumentation for 40 MT LPG	Project comprises of Mechanical Fabrication, Erection, Piping for LPG Network (Liquid & Vapor Lines), Firewater Network (Hydrant Lines),	Adeline Oil & Gas Limited	2018

	Storage & Dispensing Plant @ Jos, Plateau State, Nigeria	Installation of LPG Pumps, Compressor & Electrical Instrumentation		
7.	Engineering & Project Management for Installation of Mechanical, Piping, Electrical Instrumentation for 30 MT LPG Storage & Dispensing Plant @ Otukpo, Benue State, Nigeria	Provision of Architectural & Engineering Design Drawings for the Plant which includes the construction of LPG Tank Foundation, LPG Pump House, Perimeter Fencing, Cylinder Filling Area, Generator Building, Gate & Security Building, Sales & Admin Building, Piping for LPG Network (Liquid & Vapor Lines), Firewater Network (Hydrant Lines), Installation of LPG Pumps, Compressor & Electrical Instrumentation	Fahol Energy Resources Limited	2021
8.	Engineering Procurement & Construction of 2 No's x 50 MT LPG Storage & Dispensing Terminal @ Dakibiyu District, Abuja, F.C.T, Nigeria	Provision of Architectural & Engineering Design Drawings for the Plant which includes the construction of LPG Tank Foundation, LPG Pump & Compressor House, Perimeter Fencing, Retaining Wall, Cylinder Filling Area, Generator Building, Gate & Security Building, Sales & Admin Building, Erection of Overhead Storage Tank, Piping for LPG Network (Liquid & Vapor Lines), Firewater Network (Hydrant Lines), Installation of LPG Pumps, Compressor & Electrical Instrumentation	A.Y.M Shafa Limited	2021
9.	Engineering Procurement & Construction of 30 MT LPG Storage & Dispensing Plant Masaka, Karu, Nasarawa State, Nigeria	Provision of Architectural & Engineering Design Drawings for the Plant which includes the construction of LPG Tank Foundation, LPG Pump & Compressor House, Perimeter Fencing, Retaining Wall, Cylinder Filling Area, Generator Building, Gate & Security Building, Sales & Admin Building, Erection of Overhead Storage Tank, Piping for LPG Network (Liquid & Vapor Lines), Firewater Network (Hydrant Lines), Installation of LPG Pumps, Compressor & Electrical Instrumentation	Chardom Integrated Services Ltd	2021
10.	Flow Measurement Equipment Procurement for the Construction of 1,000 MT LPG Storage & Dispensing Terminal @ Port-Harcourt, Rivers State, Nigeria	RFP, RFQ, Procurement and Supply of 2 No's OCV Model 115 Digital Control Valves + Air Freight + Custom Duty	Beta Engineering Limited	2018
11.	Engineering Studies for the Construction of 5,000 MT LPG Storage & Dispensing Terminal @ Warri, Delta State, Nigeria	Preliminary Site Appraisal comprising of Front-End Engineering Design (FEED), Procurement of Equipments, Installation, Erection Works, and Commissioning	First Ozone Marine Express Limited	2018
12.	Engineering Studies for the Construction of 1,000 MT LPG Storage & Dispensing Terminal	Preliminary Site Appraisal comprising of Front-End Engineering Design (FEED), Procurement of Equipments,	Zane Energy Limited	2018

	@ Port-Harcourt, Rivers State, Nigeria	Installation, Erection Works, and Commissioning		
13.	Project Management for EPC of Gas & Fire Alarm Control Panel @ Port-Harcourt, Rivers State, Nigeria	Cost for Consultancy, Design and Installation of Gas Detection and Fire Alarm Systems with Fittings + Accessories	Steve Austine Nig Limited	2018
14.	Project Management Services for Integrity Inspection and Testing of ASME Pressure Vessel Storage @ Port-Harcourt, Rivers State, Nigeria	Consultancy Services for Inspection and Witnessing of Pressure and Leak Testing as well as Calibration of ASME Pressure Vessel	Flow Precision Nig Limited	2018
15.	Project Management Services for conducting Non-Destructive testing on Pipeline Network @ Port-Harcourt, Rivers State, Nigeria	Consultancy Services for Inspection and Witnessing of NDT, X-Ray Testing on Pipelines for ASME Pressure Vessel	Sixtero Nig Limited	2018
16.	Project Management for QAQC Inspection, Report Register and Documentation @ Port-Harcourt, Rivers State, Nigeria	Consultancy and Service Level Agreement for carrying out QAQC documentation on LPG Pipeline Network	Chenergy Services Limited	2018
17.	Engineering Studies for the Construction of 8,000 MT LPG Storage & Dispensing Terminal @ Port-Harcourt, Rivers State, Nigeria	Preliminary Site Appraisal comprising of Front-End Engineering Design (FEED), Procurement of Equipments, Installation, Erection Works, and Commissioning	Liquid Bulk Limited	2020
18.	Engineering Studies for the Construction of 10,000 MT LPG Storage & Dispensing Terminal @ Okrika, Rivers State, Nigeria	Preliminary Site Appraisal comprising of Front-End Engineering Design (FEED), Procurement of Equipments, Installation, Erection Works, and Commissioning	Forelight Energy Solutions Limited	2020
19.	Engineering Procurement & Construction of 25 MT LPG Storage & Dispensing Plant Langtang, Plateau State, Nigeria	Provision of Architectural & Engineering Design Drawings for the Plant which includes the construction of LPG Tank Foundation, LPG Pump & Compressor House, Perimeter Fencing, Retaining Wall, Cylinder Filling Area, Generator Building, Gate & Security Building, Sales & Admin Building, Erection of Overhead Storage Tank, Piping for LPG Network (Liquid & Vapor Lines), Firewater Network (Hydrant Lines), Installation of LPG Pumps, Compressor & Electrical Instrumentation	Flogas Limited	2021
20.
